

DreamHomego.com

Our client-friendly and easy to navigate web site has a vast content of valuable information. It is empowered with the IDX and it has an umbrella of personal links for each individual agent with their personal information and listings. Registered clients can search for properties of their interest directly under the agent's name.

DreamHomego.com is also enhanced with necessary links, forms and scripts you need to conduct your business from anywhere at any time.

Join Our Team

So what are you waiting for? Give yourself a promotion and become a real estate expert, raise your earnings and expectations by joining our team. Get your first bonus right away. Bring an interested friend with you and get up to \$500 referral fee. If you already have a broker's license, you will get 5% of commission for every sale associate recruited either by you or by an associate under your management and supervision.

Present yourself in a unique way

In order to present you with the best possible image and give you the competitive edge, we customized a powerful presentation that will help you establish trusting relationships with your clients in a short period of time. Once the clients view this presentation on their own, they will feel compelled to choose YOU as their realtor. You will have the necessary resources and qualities to successfully serve them through buying or selling process. Under your guidance, their needs will be met every step of the way. And YOU will, once again, have an accomplishment on your hands.

YOUR SATISFACTION - OUR DEDICATION

*E*MPower YOUR CAREER
WITH MORE OPPORTUNITIES

Join Our Team

**Maximize your
internet exposure**

**Serve your
listings exclusively**

*D*ream Home Realty property listings are literally all over the internet. All inquiries made about posted listings are sent to the originator of that specific listing - that being YOU the most knowledgeable agent for the property in question. This way you serve your own listings exclusively. Our company maintains a none-compete environment amongst our agents. Also, as an agent, you will have no floor time to spend at our main office and no office duties to fulfill. So you can maximize your time spent in the field working with your clients. Dream Home Realty offers you a higher commission split ratio, giving you freedom to keep more earnings and reinvest into your business and marketing strategy best suitable for you. We believe that giving this freedom to our agents is the best way to generate and drive more business productivity and rise above everyone else in the real estate business.

**Tools
for your Success**
